After House Cleaning.

The problem of what to do with winter clothes always comes up.

Here is the solution. Solid oak, 5 drawer storage Chiffonier, \$5.75.

This Chiffonier has good case work, well finished and has a divided top drawer if you desire. It is not intended that this case should be put up attic or down cellar. It looks good enough to be in any sleeping room in the house.

Go Carts.

Another problem almost every family in Barre has to contend with is, what to get for a Go-Cart for the baby. The solution is very simple this season. The style should be a hood top. The make an Allwin or a Whitney and you should always come to Hooker's for them. Easy, is it not? We are waiting.

The Daylight Store

Let Us Solve Your Garment Problem.

Satisfaction costs nothing. Whether good seasonable goods are going to give entire satisfaction or not depends on two points. First, are they suited for the purpose for which you want them? Second, have they that inherent quality that makes for satisfaction? Unless we sell you goods that will give entire satisfaction we cannot expect your good will and support, which we are striving each day to get and keep.

Ladies' Suits and Coats.

After such a season's sale of Ladies' Tailored Suits, there are always a few odd models left that we cannot duplicate or that we have taken special orders from and will not take any more, so would rather sell the Suits at a discount than carry it in stock.

These are the Suits of the better quality, such as sell at \$25.00 to \$30.00. These that we now have we are prepared to give you at reduced prices, in order to get them out of our stock.

In ordering special Suits we are very particular not to order more than two of a kind so therefore we have a number of these very desirable models which, if you can find your size, will be of more than ordinary value, both as to style and quality.

Ladies' Wash Suits.

We have now a full assortment of the new Cotton, Wrep, and Linen Suits in all colors and white. These are to be the popular summer Suits, and the line of these Suits shown this season would indicate that it would be an extra large season on these Suits.

At \$6.50 we can give you a line of Suits made of a good quality cotton wrep in the popular colors. This Suit is made with a good styled 36-inch coat and a full nine-gore circular skirt.

At \$6.75 is a line of Economy Linen Suits made in a good styled 36-inch Coat Suit. At the same price is also a plain Tailored Linen Suit in natural color.

At \$12.50 is a very fine Wrep Suit. Coat made 36 inches long, and coat and skirt finished with a good quality heavy lace insertion. These are extra values.

Ladies' Separate Coats.

Ladies' Separate Coats are occupying a prominent place at present, as these Long Coats are just the garment to wear with light dresses or for traveling and vacation wear.

At \$10.00 we are showing a strong line of 50-inch Coats in the covert cloth and the plain serges, same are made in a partial fitted style and lined over the shoulders, so that they are canvassed to give the shape and style.

At \$12.50 is a little better quality, in about the same style garment.

At \$15.00 and \$18.00 are some of the better grades in serges and the satinfaced goods. These are made in a variety of popular styles.

In Ladies' Silk Coats in black we are showing a very strong line of medium priced garments, both in the partial and loose fitting styles. See our Black Coats in odd sizes for large ladies. These come in what we call stout sizes.

The Separate Skirt season has just opened and the line we are now showing is complete in every way. Black and blues are the leaders.
